

THE WATERS

Our first priority is safety, health, and wellbeing of our residents and team members. We ask that if you are experiencing any of the symptoms below, that you reschedule your visit when you no longer have symptoms...

- ✓ Mild to severe respiratory illness
- ✓ Fever (>100.4)
- ✓ Cough
- ✓ Shortness of Breath
- ✓ Sore Throat

With guidance from the CDC, and proactive strategy, we are actively screening visitors and ask that you stop at the Concierge Desk for further instructions.

Thank you for your support and cooperation.
